## **Career Counseling Programme**

### **Future Career Opportunity in Management**

The field of management offers a plethora of exciting and rewarding career opportunities for individuals seeking to lead, strategize, and drive organizational success. In today's rapidly evolving business landscape, the role of managers has become even more crucial. This essay explores the importance and potential of future career opportunities in management, highlighting the key skills, challenges, and prospects that await aspiring managers

#### **Programme Objectives:-**

- 1) The guest lecture aims to provide attendees with valuable insights into the future career opportunities available in the field of management. It should shed light on emerging trends, evolving roles, and potential areas of growth for aspiring managers.
- 2) The lecture can explore various specializations within management, such as strategic management, human resources, operations, marketing, entrepreneurship, and more. It should help attendees understand the diverse career paths they can pursue based on their interests and skills.

#### **Programme Outcomes:-**

- 1) Students should gain a broader understanding of the various career paths and opportunities available in the field of management. They will become aware of the evolving nature of management roles and the potential areas of growth in different industries.
- 2) The lecture should help students explore and identify their areas of interest and specialization within management. They should gain insights into different specializations and understand how their skills and passions align with various career options.

## Competitive Examination MPSC Preparation

### Programme Objectives:-

- 1) The guest lecture aims to provide attendees with a comprehensive understanding of the MPSC exam structure, including the different stages, subjects, and syllabus. This will help students grasp the overall framework and requirements of the examination.
- 2) The lecture should offer valuable guidance on recommended study materials, books, websites, and other resources that students can utilize during their MPSC preparation. This will assist students in accessing reliable and relevant study materials to enhance their preparation.

### Programme Outcomes:-

- 1) Students should gain a better understanding of the MPSC examination, including its structure, eligibility criteria, and selection process. They will become aware of the importance of the exam and the career opportunities it can offer.
- 2) The lecture should provide students with a clear understanding of the MPSC syllabus and the subjects they need to focus on. Students will have a comprehensive overview of the topics they need to study, enabling them to plan their preparation more effectively.

## **Preparation of Competitive Examination NET/SET 2019-20**

### **Programme Objectives:-**

- 1) To provide a comprehensive overview of the NET/SET examination format, including the structure, marking scheme, syllabus, and the importance of these exams in academic and research careers.
- 2) Offer subject-specific guidance to candidates, depending on the disciplines they are preparing for. Different subjects have distinct patterns and requirements, so it is essential to tailor the preparation accordingly.
- 3) Recommend high-quality study material, reference books, online resources, and study aids to supplement the preparation process.

### **Programme Outcomes:-**

- 1) Students should have a better understanding of the National Eligibility Test (NET) or State Eligibility Test (SET), including its significance, eligibility criteria, and its role in their academic and career progression.
- 2) Students should gain clarity on the syllabus, exam pattern, and marking scheme of NET/SET. They should know what to expect in the examination and how to plan their preparation accordingly.
- 3) Students should be aware of the various study materials, online resources, and reference books available for their preparation.

Date:-15/02/2020

## **Guidance for Competitive Examination Guest lecture on Research Methodology**

### **Programme Objectives:-**

- 1) The lecture aims to provide students with a comprehensive understanding of research methodology and its relevance in the field of business management. It should introduce students to the fundamental concepts, processes, and techniques involved in conducting research.
- 2) The lecture should familiarize students with different research designs commonly used in business research, such as experimental, survey, case study, and qualitative research designs. Students will understand the characteristics, strengths, and limitations of each design, enabling them to make informed choices when designing their own research studies.

### **Programme Outcomes:-**

- 1) Students should gain a clear understanding of the fundamental concepts and principles of research methodology. They will develop a grasp of key terms, research designs, data collection methods, and data analysis techniques commonly used in research.
- 2) The lecture should equip students with the knowledge and skills to design research studies. Students will understand how to formulate research questions, develop hypotheses, select appropriate research designs, and determine the suitable data collection methods for their research projects.

## **SOFT SKILLS DEVELOPMENT PROGRAMME**

### **SKILL DEVELOPMENT TRAINING PROGRAMME**

The Venkateshwara Institute of Management, MBA has organized Soft Skills Developing training Programme on 6<sup>th</sup> September 2018 conducted Skill development training for MBA students. The emphasis is to skill the youth in such a way so that they get employment and also improve entrepreneurship. Students were trained to develop skills in attaining jobs in the industry. The programme was led by Mr. Salim Nadaf TPO of NMCOE Peth.

#### **Programme Objectives:**

- 1) The primary objective of skill development training is to enable individuals to acquire new skills that are relevant to their personal or professional growth.
- 2) Skills Training programs aim to enhance and strengthen the existing skills of individuals, allowing them to perform better in their current roles or responsibilities.

#### **Programme Outcomes:**

- 1) Increased confidence: Participants gain confidence in their ability to perform tasks or handle responsibilities related to the targeted skill.
- 2) Enhanced performance: Participants are able to apply their newly acquired skills effectively in real-world situations.
- 3) Participants develop a higher level of proficiency in the targeted skills.

## Guidance for Competitive Examination 2017-18

### Programme Objectives:-

- 1) The guest lecture should offer guidance on effective strategies for preparing for competitive examinations. This can include tips on time management, creating a study schedule, identifying strengths and weaknesses, utilizing study materials and resources, and practicing mock tests. Students will learn how to develop a systematic and focused approach to their exam preparation.
- 2) The lecture should provide students with insights into test-taking techniques to optimize their performance in competitive exams. This can include guidance on question selection, time allocation, managing exam stress, and eliminating incorrect answer choices. Students will develop strategies to improve their speed, accuracy, and overall performance in the exams.

### Programme Outcomes:-

- 1) Students will gain a comprehensive understanding of the structure, sections, duration, and syllabus of different competitive examinations. This knowledge will enable them to develop a targeted and focused study plan, aligning their preparation with the specific requirements of each exam.
- 2) Students will learn effective preparation strategies tailored to competitive examinations. They will gain insights into time management, creating a study schedule, prioritizing topics, utilizing study materials and resources, and adopting a systematic approach to their exam preparation. This will enhance their efficiency and productivity during their study sessions.
