## POLICY DOCUMENTS OF THE INSTITUTION

### 1. Alternate source of energy and energy conservation

The Institution has facilities for alternate sources of energy and energy-conservation measures. Energy-saving LED bulbs and power-efficient equipment are used in the college campus. Ordinary lights have been replaced by CFL and LED lights to conserve energy. Create awareness that small actions matter- Save Energy Labels/Posters are put up at various locations in the Institute.

### 2. Management of the various types of degradable and non- degradable waste

The students are given strict instructions to maintain the campus clean. A gardener is appointed for the maintenance of litter free clean and Green Campus. Separate dustbins for different types of waste are placed at various places in the campus. Solid waste is segregated as bio degradable and non-degradable and handed over to Grampanchayat. All classrooms are provided with dustbins for dry wastage disposal. Segregation of waste into dry and wet waste from the separately allotted dustbins is done in strategic locations, thus maintaining the Campus cleans and Eco-friendly.

All the waste generated in the campus is taken care of as per norms. The waste water is discharged through regulated channels, pipelines and released into the drainage system.

### 3. Water conservation

Institute gets water supply from local water supplier every day. The institution has a good storage of water tanks, drinking water and water for cleaning purpose. For drinking purpose, the Institution has an Aqua guard water purifier. It is made mandatory to clean and disinfect water holding tanks at least monthly once or more often, if required. Water filters are replaced periodically to provide the students and staff with pure drinking water. To create awareness that small actions matter by putting up Save Water labels /posters are put up in various places in the Institute.

Many Staff shared their vehicle with colleagues. Public bus stop is also very near to College campus and it gives facility to most of the students to use public transport. Students are motivated for not to use plastic and care is taken to make campus plastic free. The Institute is known for its lush green, nicely maintained campus. Sprinkler irrigation systems are used for watering, that saves large amount of water. Plantation of various trees and herbal medicinal plants is done in the campus and outside the campus. Institute building is so architectural that campus is free from pollution.

Additionally, in order to sensitize about the environment and sustainability issues, activities such as No Plastic Day and No vehicles Day organized for students and staff through the Institute. Tree plantation is carried out to achieve carbon neutrality to cover the most open areas. Plantation of large numbers of trees in other areas help in reducing the temperature inside the campus and provides clean and fresh air.

## No-Vehicle (2017-2018)

Venkateshwara Institute of Management, Peth. "Every year, we organize various programmes to promote environment protection. Every fourth Saturday of the month observed No Vehicle Day in which not a single vehicle was allowed inside the college campus. Student becomes aware about bad impact of vehicles on the nature and encouraging their friends and neighbors to use bicycle or electric bike for travelling in the city.

It is observed that during the working hour of the college many students and most of the staff members use private vehicles like cars/bikes/scooters. 22<sup>nd</sup> September this day is observed all over the world as a World car free day, as a small step towards greener environment in our coming future. Respected Director Dr. P. K. Katti Sir encouraged the students to participate in such activities in future as well

### No-Vehicle day (2017-2018)

#### Report

Venkateshwara Institute of Mangement, Peth has declared that every fourth Saturday of the month will no vehicle day on their campus as a part of its 'green-campus movement'. Under the program of green\_environment initiated by the government, they college and college Director Dr. P. K. Katti Sir decided to take this step. The authorities said that going forward, these fourth Saturdays would be dedicated to cycling and contributing to nature. On this day, the students and staff were urged not to use their own automobiles for transport and to rely mostly on more eco-friendly ways of transportation like the Municipal Transport or cycling or walking. The day was celebrated to reduce, for at least a day, the ever-increasing load on the environment via air-pollution and also to promote the use of public transport.
